

# Ansible Tags

- Ansible executes all the tasks by default, but we can control the execution of tasks with tags
- Syntax to run playbooks with tags:
- `ansible-playbook usageOfTags.yml`
- `ansible-playbook usageOfTags.yml -t first`
- `ansible-playbook usageOfTags.yml -t first,fourth`
- `ansible-playbook usageOfTags.yml -t fift`
- `ansible-playbook usageOfTags.yml --tags first`
