

Working with Managed Nodes with SSH Keys

- with SSH Keys
 1. Currently Logged-in user with ssh keys
 2. Ansible configuration file – ansible.cfg
 3. Inventory File
 4. group_vars & host_vars
 5. Ad-hoc commands & Playbooks

➤ Note: Priority is :

➤ 5 → 4 → 3 → 2 → 1

Ansible and Ansible-Playbooks For Automation
