Directory Structure for Ansible Real-Time Project Setup

➢ **Its better to follow the directory structure**

```
[ansadmin@VRTechnologies ~]$ pwd
/home/ansadmin
[ansadmin@VRTechnologies ~]$ tree hrProject
hrProject
├── ansible.cfg
├── ansible.log
├── collections
├── group_vars
├── host_vars
├── inventory
└── roles

4 directories, 3 files
```

Ansible and Ansible-Playbooks For Automation
